Quick Guide to AGA Rayburn Electric Appliances

RAYBURN RANGER® | AGA Ludlow Electric Stove  
AGA Ellesmere Electric Stove | AGA Westbury Electric Stove  
Rayburn Stratus<sup>TM</sup> Fires

# RAYBURN RANGER®

The fully-electric Rayburn Ranger® provides flexible, energy-efficient cooking and beautiful retro styling to your home.

The heat store cooker includes two large capacity radiant ovens plus a warming oven, which operate independently. It also benefits from a grill, a cast iron hotplate, which can be set to boiling or simmering mode and two-zone induction hob.

The exterior is available in eight colour options including traditional shades and bold hues; Tomato, Marmalade and Sunshine.

## The Ovens

### Roasting Oven and Grill

- 900W grill with four positions
- E-setting for low baking temperature

### Baking / Simmering Oven

- Can be set to baking or simmering mode
- E-setting reduces baking oven to simmering oven for slow, low temperature cooking

### Easy to Use Control Panel

### Warming Oven / Storage

- Can be used independently from other ovens

## The Hotplate / Induction Hob

### Cast Iron Hotplate

- Chrome lid and handle
- Can be set to boiling or simmering mode
- Cast iron surround with Altrashell™ coating for easy cleaning

### Room vent

### Two-Zone Induction Hob

- Bridging function across two zones, suitable for use with a griddle or fish kettle

## Colour Options

Midnight

Slate

Mist

Linen

Olivine

Sunshine

Marmalade

Tomato

Note: Rayburn Ranger side panels are black.

Ellesmere Standard

## Ellesmere Electric Stove

Available in standard & wide models

The Ellesmere electric fire is the perfect choice for those who want the warmth and atmosphere a wood burning stove supplies, with the added flexibility of an electric fire.

This easy to install stove can be customised at the touch of a button. With a variety of flame patterns, accent lighting and the option of adding heat or having a flame-only picture, you can always guarantee the perfect ambience.

Ludlow Wide

## AGA Ludlow Electric Stove

Available in standard & wide models

The Ludlow electric fire includes the same great features as the Ellesmere stove, with alternative door styling.

### Technical Specifications - Ellesmere and Ludlow

|             | STANDARD | WIDE     |
|-------------|----------|----------|
| Fuel        | Electric | Electric |
| Height (mm) | 542      | 602      |
| Width (mm)  | 440      | 571      |
| Depth (mm)  | 375      | 396      |
| Material    | Steel    | Steel    |

## Westbury Electric Stove

The beautiful styling of the Westbury electric stove is ideal focal point in any contemporary home. Simple to install with a 13 amp supply, the tall fire can be placed in any room setting for instant warmth and a cosy atmosphere.

The fire provides a stunning flame picture perfectly framed in its large glass door. Heat output, ambient lighting, flame effects and timings are all easily operated using a simple remote control.

### Technical Specifications

|             | STANDARD |
|-------------|----------|
| Fuel        | Electric |
| Height (mm) | 1049     |
| Width (mm)  | 490      |
| Depth (mm)  | 346      |
| Material    | Steel    |

# Rayburn Stratus™

## Tru View, Extra Slim and Extra Tall

There's a Rayburn Stratus™ electric fire for every home, and, combined with our beautifully designed suites, it couldn't be easier to create the perfect focal point in your home.

Easy to install with no flue and just a 13 amp supply required, every fire in this range comes complete with a remote control to allow you to control the flame picture and heat output.

Available in 100cm or 125cm width options and additional 75cm available with the Extra Slim model. See technical guides for full building in instructions.
